Celebrate DJ AM's Life...With Something Sweet.

By Bryce • Sep 7th, 2009

The life of DJ AM was tragically cut short, but that doesn't mean we have to stop appreciating him. In the world of fame, music, and paparazzi, it's all-too-uncommon to find a guy as genuine and nice as DJ AM was. That's why I'm calling for a celebration of his life.

I choose to celebrate with his music and his favorite sweet dessert, the Milk & Krunchies toffee rice krispie treat that's appropriately named "DJ AM's Toffee Mix." They're sweet, a little salty, and have a the rich nutty crunch of toffee. Gimme his music, one of these sweet treats, and some of his damn good music and suddenly I'm at peace too.

*quick note: Milk & Krunchies created this sweet treat long before DJ AM passed away. It truly was his favorite, and this company is NOT trying to profit from his death.
